

## AMATEUR ATHLETES MUST REGISTER.

Board of Governors Indorse the Recommendation of Their President.

The New Rule Will Go Into Force on the First of Next March.

Being Fully Certificated, the Applicant Will Thenceforth Be Known by His "Tag."

DOES NOT REFER TO CLOSED GAMES

Details as to the Working of the Law, Which Will Doubtless Entail Plenty of Fun for the Registration Committee.

The resolution offered by Harry McMillan, president of the Amateur Athletic Union, at their last meeting, has been approved and carried by a mail vote by the Board of Governors.

It has been assigned a place under Rule IV, of the general rules of the Union, and it reads:

On and after March 1, 1897, in no meeting, game or entertainment, shall be sanctioned or scheduled by the Amateur Athletic Union or any of its branches as an open amateur meeting unless the entry has been accepted unless he shall have received from the secretary of the Amateur Athletic Union a numbered certificate of registration, stating that he is an amateur and eligible to compete in amateur sports.

The provisions of this paragraph do not apply to events that are "closed," i. e., open only to members of the organization giving the said games.

Then follow details of the working and application of the rule, of which the subjoined are the most salient features:

All organizations giving open games or competitions under Amateur Athletic Union rules and sanction must state on their announcements and entry blanks that no entries to open events can be accepted except from registered athletes.

Each athlete applying for registration and receiving same shall be assigned a number, which number shall be plainly written on his registration certificate.

All applications for registration must be accompanied by a \$1 fee and endorsed by the secretary of the club of which said applicant is a member, and approved by the secretary of the Union Association within whose jurisdiction said club is located. Should the applicant for registration not be a member of an athletic club, he must procure the endorsement of a respectable citizen of the locality in which he resides, and the approval of the secretary of the Union Association within whose jurisdiction his place of residence is located.

Registrations shall expire on the last day of each year.

A registration committee, consisting of not more than three nor more than seven Governors, shall be appointed at each annual meeting of the Board of Governors, whose duties it shall be to receive, examine and decide upon all applications for registration.

An athlete's number shall be considered cancelled when he fails to pay his fee within sixty days after it is due, or if he is not entered into competition for a period of one year, unless for good reasons special permission be given him to retain his number.

The registration fee shall be for one year, and be paid annually in advance.

It shall be the duty of the committee to make annual inquiry regarding any athlete whose amateur status is questioned, and all such inquiries shall be entered with the chairman of the committee.

Registration by a member of members of the committee.

The registration law will go into effect in March 1 next. It will be necessary for an athlete to apply to the secretary of the association in whose district he resides.

Regular Ticket Goes to the N. Y. A. C. Yesterday was the last day in which nominations for an opposition ticket could be posted, or the coming election in the New York Athletic Club. None was made, however, so the election of the regular ticket is now assured.

## GOODSPORT AT LAKEWOOD

Fred Hoey Defeats Brokaw in a 100-Bird Match and Harris Captures the Handicap Event.

Lakewood, N. J., Jan. 2.—The Ocean County Hunt and Country Club traps were the scene to-day of some excellent sport, such well-known shots as Fred W. Hoey, Dwight Miller Harris and W. Gould Brokaw being among the contestants.

One of the features of last season at the traps was the exciting match between Harris and Brokaw for a \$150 cup, when Harris killed eighty-seven and won the trophy. He had not shot since last Spring, but after the first four or five birds his old form asserted itself, and he added another handsome cup to his long list of trophies won at the traps.

The first match was at fifteen birds, handicap rise, for a solid silver cup presented by the club.

F. A. Wathew, the Knollwood golfer, and Dudley Fanning showed the cracks a few things in the pigeon shooting line. Wathew hadn't fired a gun in years, and was allowed four misses. Fanning, who is a novice at the sport, was given three, and Harris two. Hoey shot from the third mark. Brokaw stood at or five birds and the other three were placed at 27.

Hoey dropped out at the ninth bird, having missed three. Brokaw was out of the trap at the twelfth. Wathew, Harris and Fanning were on even terms at the fifteenth, the first named having landed his first thirteen birds. The three then tried conclusions at five more birds, Wathew and Fanning being given one miss and Harris being deprived of that allowance. Fanning failed to wing a couple and withdrew.

Harris and Wathew then shot at another five, and again broke even. On the next five, however, Harris came out a winner. His score including twenty-one successive kills.

Hoey and Brokaw had a very closely contested match at 100 birds from thirty yards. Hoey killed eighty-three and had five drop dead out of bounds, while Brokaw dropped eighty-one, with two dead out of bounds.

## ONLY FOUR CARDS TURNED IN.

Most of the Contestants on the Lakewood Links Gave Up the Issue.

Lakewood, N. J., Jan. 2.—Although snow still remained on the links of the Golf Club of Lakewood, the putting greens and teeing grounds had been cleared and were in good order, and the contest for the weekly trophy took place to-day, as scheduled, with these participants: Jasper Lynch, Beverly Ward, Jr., Paul T. Kimball, Robert Bage Kerr, R. H. Robertson, A. B. Chaffin, James Borden Harriman, James W. Morey, H. H. Kerr, E. H. McCullough, R. B. Ferris, H. B. Livingston, R. H. Lloyd, Francis G. Lloyd, W. H. Goodby, George Sheldon, Miss Agnes Davis and Miss Alice Strong, the winner of the cup two Saturdays ago.

Of these only four turned in their cards, viz.: Beverly Ward (seventy), Mr. Morey (11), Mr. McCullough (12), and Ferris (30). Ward, therefore, has possession of the trophy till next Saturday.

At the annual meeting of the club, on Monday evening, the Greens Committee will ask for the prohibition from the next week's play of all those who fail to turn in their scores at the match of the previous Saturday.

## HOT TIE GAME AT HOCKEY.

St. Nicholas and New York Teams Each Score a Goal in the Sixty-Sixth Street Rink.

After one of the most hotly contested games of the year the teams of the New York Hockey Club and the fast aggregation of players from the St. Nicholas Skating Club tied in their game last night, in the home of the latter organization, at Sixty-sixth street, near Columbus avenue.

Malcolm G. Chase easily carried off the honors for the home players, notwithstanding the clever work of Barron, Wrenn and Larned. For the visitors, De Cassanova, S. Phillips and O'Donnell played well. The playing of both sides was remarkable for off-side play, most of which was not seen by Referee Fenwick.

The game began promptly at 8 o'clock. The home players captured the puck on the face of the field, and the referee's whistle sounded when they lost the puck on off-side play. Chase to Larned, De Cassanova captured the sphere, and after a hot scrimmage in the center of the field, it was returned quickly by and Chase picked it between the goal posts. The instant the referee's whistle sounded for an off-side play, goal not allowed. Within thirty seconds of the time the referee's whistle placed the puck again into play, Chase ran through the opposing team and passed the sphere to Barron, who drove it through amid the plaudits of the four hundred handsomely ladies and gentlemen who had watched the time four minutes.

St. Nicholas won the puck in the face off, and after some off-side play, O'Donnell caught the rubber and sent it back to the center of the field. It was returned quickly by and Chase picked it between the goal posts. The instant the referee's whistle sounded for an off-side play, goal not allowed. Within thirty seconds of the time the referee's whistle placed the puck again into play, Chase ran through the opposing team and passed the sphere to Barron, who drove it through amid the plaudits of the four hundred handsomely ladies and gentlemen who had watched the time four minutes.

## PALADIN WELL RIDDEN.

Jockey Tuberville Landed the Morris Cast-Off a Winner in the Six Furlong Handicap.

New Orleans, Jan. 2.—Warm weather and a very heavy track marked today's racing. The crowd was a large one, fully 5,000 people, and speculation was heavy. With only two post favorites successful, the books had the best of the day.

The Morris cast-off imported Paladin, now owned by the Stewarts, of Kansas City, won the six-furlong handicap. Backed from 8 to 1 to 5 to 1, Paladin, well handled by Tuberville, closed up with a rush in the last twenty yards, beat him out half a length in a drive, to the intense disgust of Hugh McCarren, whose colt looked to have the race fifty yards from home.
